

Lenovo® recommends Windows® 7 Professional.

lenovo®

Highly efficient.
Highly affordable.

Fun is doing more of your favorite things with the affordable Lenovo G570 notebook.

Get more value with the Lenovo® G570 notebook. Store more music, movies, and games thanks to a 1TB HDD; Rely on DirectShare to synchronize your files with other notebooks without connecting to the internet; Enjoy more responsive application performance with 8GB DDR3 memory. And experience the thrill of high performing high definition graphics. Added features come with added responsibility. That's why, the notebook's VeriFace® facial recognition technology secures access to your PC while its OneKey® Rescue System enables quick data backup and recovery. Smart performance is a given with the 2nd generation Intel® Core™ i7 processor with Intel® Turbo Boost Technology 2.0. And with Lenovo Enhanced Experience 2.0 for Windows® 7 software with RapidBoot technology, this PC starts about 20 seconds faster than a standard Windows® 7 computer. So whatever your idea of fun is, the Lenovo G570 brings it alive.
