AFFORDABLE TECHNOLOGY

Fun is getting the latest technology at an affordable price—the Lenovo G560 with new 2010 Intel® Core™ processor.

The Lenovo® G560 notebook features the Intel® Core™ i5 processor with Intel® Turbo Boost Technology* for an extra GHz when you need it. It also includes Lenovo Energy Management 5.0 which protects the long-term life of the battery by preventing unnecessary recharges, and uses advanced energy-saving technology to increase time spent away from the power socket. In addition to HD graphics support and a large 15.6" widescreen display, the Lenovo G560 also includes OneKey™ Rescue System, which makes data backup and recovery quick and easy. And with Lenovo Enhanced Experience for Windows® 7, the Lenovo G560 delivers fast boot and shutdown, richer multimedia capabilities and easy system maintenance tools. All in all, the Lenovo G560 is more than the average affordable notebook.
