KEY FEATURES

INCREASED RELIABILITY AND SUPPORT

Save money and reduce repairs using ThinkCentre Edge 91z. Lenovo provides award winning warranty service and support which can be adjusted to meet the unique coverage you require.

BLAZING PERFORMANCE AMAZING CLARITY

Ensure fast and reliable patient care with up to 2nd Gen Intel® Core™ i7 quad-core processors. Deliver vibrant visuals with a full HD 21.5" infinity screen and optional 1GB AMD Radeon® discrete graphics card.

ADVANCED SECURITY AND PRIVACY SOLUTIONS

For the transition to Electronic Medical Records (EMR), the ThinkCentre Edge 91z provides dependable security solutions like data encryption and anti-virus software.

SLIM AND SPACE SAVING DESIGN

Cut workplace clutter by 70% versus a traditional desktop and monitor. The Edge 91z is 3.18" thin and the VESA mount provides the flexibility to attach to the wall of your practice, medical cart, or Lenovo extend arm.
